TO LEARN

... In this, your 1953 *Powder Horn*,
about Clark and its people, in classes
and clubs, in school and out.

PEOPLE

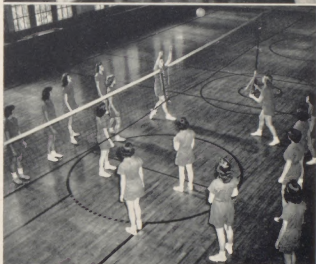

What is Clark made of? Bricks and mortar, books and paper — and people. Students — gay, laughing, friendly and earnest, they fill the halls with their talk of games, classes and dates. Teachers — helpful and enthusiastic, they maintain a lively interest in class and club work. People — this is what Clark is made of.

A typical Clark day begins . . . Students with their laughter and noise pour into the silent building . . . pause at their lockers . . . become absorbed in classes . . . relax with a coke after school.

Our sports are all-inclusive . . . Will the ball come through? . . . Girls like volleyball . . . Fall brings football, ever-popular . . . gym classes are required, but fun.

SPORTS

Excitement, thrills and fun galore — that's why we at Clark like sports. And the famed Pioneer spirit is kept alive and renewed at each football, basketball and baseball game. Other sports too, come in for their share of glory — wrestling and track and tennis — all echo the cry, "Go You Pioneers!"

A club activity for every interest . . . movies for classes . . . nursing for the future . . . Student Council's magazine drive . . . Latin from the past.

Fun for all . . . football queen and court . . . assemblies, instructive entertaining . . . faculty Christmas party . . . students celebrate Halloween.

CLUBS

We have classes and work, but we at Clark also have extra-curricular activities — like clubs. Art club, Booster club, C club — through the alphabet there is an activity for everyone, from the studious to the fun-loving, from the serious to the not-so-solemn.

FUN

And we at Clark have fun — with plays to challenge the latent talents of would-be Hamlets; concerts, both vocal and instrumental, by budding musicians; school, class and club sponsored dances; parades and celebrations of all types. Yes, 1953 was a fun-filled year for everyone.

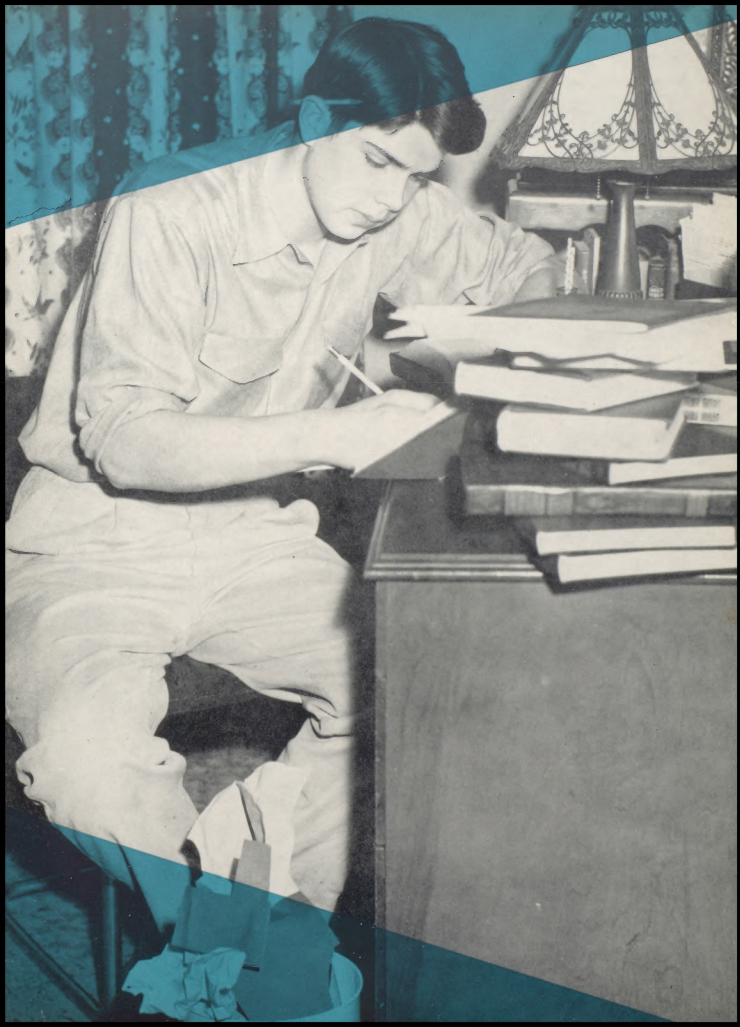

A stylized graphic of an eye, composed of concentric circles and curved lines, rendered in black and white. It is positioned to the left of the word 'LOOK', appearing as if looking through the letter 'O'.

Class Officers

Standing: L. Sparks, R. Kovach (co-treasurers), B. Guy (president), J. Stasny (vice-president).

Sitting: B. Gacsala (secretary).

Beginning their last year at George Rogers Clark High School, the Class of 1953 elected officers early in the fall to guide them through the ensuing semester.

Bob Guy, as president, called class meetings to discuss the activities of the year. John Stasny, vice-president, assisted Bob, while Betty Gascala was busy with the duties of correspondence, commencement and name-card orders. Co-treasurers Ray Kovach and Leroy Sparks handled the financial aspects of the Senior dance, name card and commencement orders.

All in all, the class officers served their class capably and efficiently.

Class Sponsor

Dear Class of 1953:

It was thus I greeted you almost four years ago, but I confess that you were then but a sea of unfamiliar faces to me. Since our many personal contacts in classes, committees, dances, and Commencement events, I think of you as good friends to whom I now must say, "Farewell!"

I felt honored to be chosen as your sponsor, and as you have developed and have achieved so much from year to year, I doubt if any parent could have been prouder.

The road was not always smooth. We have made mistakes, and there have been some conflicts among us. As our paths separate, let us be tolerant of each other and forget the differences.

And now with my sincere good wishes to each one of you for the years ahead, may I quote from Proverbs III: "Let not mercy and truth forsake thee . . . write them upon the table of thine heart: So shalt thou find favor and good understanding in the sight of God and man."

Sincerely,
Edna Howe

Senior Class History

Look . . . Freshmen

In the fall of 1949 Miss Edna Howe, commercial teacher, was chosen as our class sponsor. We elected George Kaminsky, president; Albert Carpen, vice-president; Peggy Eberly, secretary; and John Stasny, treasurer, of our newly formed class. Activities of this first year included a Freshman Day and the "Greenhorn Gallop," our class dance.

Look . . . Sophomores

As Sophs we chose Ronald Cudek, president; Grace Kaminsky, secretary; and Donald Frunk, treasurer. Boxes and question marks were among the decorations of our dance, "The Thing!"

Look . . . Juniors

"Today we follow, tomorrow we lead," was selected as our class motto along with our colors, red and silver, and our flower, the red rose, during this very busy year. President Bud Sutherland provided able leadership with the assistance of Vice-President Leroy Sparks, Secretary Marlene Krill, and Treasurer Ted Muta. A comedy success, "Jenny Kissed Me," was presented as our class play. "Dancing in the Dark," The Junior-Senior Prom, concluded this active year.

Look . . . Seniors

Accepting the leadership of Clark we selected President Robert Guy, Vice-President John Stasny, Secretary Betty Gacsala, and Co-Treasurers Ray Kovach and Leroy Sparks to conclude our high school career. Sponsoring our last dance, "Frost Kist Night," we brought to a close our many social activities.

Our Principal

Looking to our faculty members who teach and guide us, we find our principal, Mr. O. B. Hayward, at the head of the list.

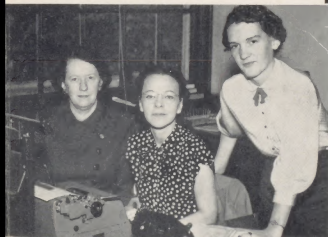

Devoting all of his time to the administration of an active and ever-growing school, Mr. Hayward had to relinquish the position of Student Council adviser to Mr. Arnold Corder during the second semester of the year.

Being interested in any project that might benefit the school, under his guidance many new projects have been carried out. The annual magazine drive was successfully completed with the proceeds going to buy an electric scoreboard. Always ready and willing to help individuals with their problems, the students will remember their principal, Mr. O. B. Hayward.

Office Staff

The efficient and capable office staff, composed of Mrs. Florence Heiden, Mrs. Esther Jacobs and Miss Carol Stanton, are not only concerned with the general office work connected with the school, but also are ready and willing to aid teachers and students when necessary.

Mrs. Florence Heiden, Mrs. Esther Jacobs,
Miss Carol Stanton.

Jayvees Have So-So Season

Clark's junior varsity had a so-so season ending up with a record of one win, one tie and a loss. Every game was a thriller, though, as the Settlers did their best for Coach Alvin Peterson.

In the season's opener, the young Clarkites were held to a scoreless tie by Thornton Fractional. Following that they dropped a 6-0 heartbreaker to Hammond and wound up the season with a 7-0 win over Hammond Tech.

Row 1: R. Schleser, W. Polkinghorn, J. Vargo, E. Broderick, J. Broderick, R. Latta.

EC Roosevelt 22, GRC 7. . . . The Pioneer's season's opener was a lot closer than the final score indicated. Trailing, 7-0, in the opening minutes of the second period, Ken Bonds, junior halfback, raced 43 yards to knot the score. The Rough Riders hit pay dirt twice more while two GRC drives were halted inside of the Riders 20-yard line.

GRC 14, Thornton Fractional 0. . . . Combining a sound running game with timely passing, Clark evened their season's record at 1-1 at the expense of host team TF. Ken Bonds opened Pioneer scoring in the second quarter with a 14-yard touchdown pass to end Basil Kristoff. This gave the Pioneers a lead which they never relinquished. Tom Czyz, senior fullback, put the game on ice with a two-yard touchdown plunge in the final stanza.

Hammond High 7, GRC 6. . . . The Wildcats blocked Ron Cudek's extra point attempt in the second quarter and that was the eventual margin of defeat for the Pioneers. GRC led at halftime, 6-0, via Czyz's two-yard, second-quarter touchdown. Hammond scored midway through the third period and Don Lambert booted the all-important extra point, which spelled finis to the high hopes of the fighting Clarkites.

Emerson 27, GRC 0. . . . Suffering an obvious let-down after the HHS game, Clark was no match for the high-powered Emerson outfit. The Norse put the game safely away as early as the initial period.

GRC 28, Hammond Morton 7. . . . Playing most of the game with substitutes, the Pioneers rolled to an easy victory over an inexperienced Morton eleven. Tom Czyz scored two TD's while Cudek booted three extra points.

GRC 21, Morgan Park Military 0. . . Cudek, Ted Muta and lineman Don Frunk all got into the scoring act in Clark's 21-0 conquest of Morgan Park Military Academy. The game was played in the afternoon on the cadets' field in Chicago. Frunk realized a lineman's dream in the third period when he recovered a Morgan Park fumble in the end zone for a touchdown.

GRC 14, Hammond Tech 7. . . Half-back Ron Cudek was the big man in this game as he scored one TD, passed for another and kicked two extra points. The Tiger's lone score came in the third period and tied the score then at 7-7. Tech's final victory bid was halted, late in the fourth period, on Clark's 17-yard line.

GRC 14, Lew Wallace 12. . . Again Ron Cudek's unerring toe kept the Pioneers beyond reach of the opposition. It was simply a case of Wallace blowing their conversion attempts while Cudek made his. Cudek's passing and Ted Muta's brilliant running were instrumental in the victory as Clark was forced to come from behind and erase a 6-0 first quarter deficit.

Whiting 19, GRC 13. . . Clark went into this climatic battle with bitter cross-town rival, Whiting, on the wings of a four-game winning skein. The Pioneers were heavily favored to trounce the Oilers but as has happened so many times in the past in this series, season records meant nothing and the underdog Oilers pulled a big upset.

Whiting blocked a Cudek punt early in the first period and converted it into a touchdown. The Pioneers tied the score in the second quarter with Tom Czyz going over from three yards out and Cudek converting. The lead was short lived, however, as Whiting retaliated immediately and marched 55 yards to take a 13-7 halftime lead. Whiting wrapped up the game early in the third period when they recovered a GRC fumble and turned it into another TD. Clark's final score came with only seconds remaining in the game, Czyz going over for the score.

C Club

Look for the cream of the crop in the C Club. This organization honors all the boys who put out more than average to earn their major letters.

Basil Kristoff received the All-Around C Club award at the annual banquet in the spring.

In football the most valuable went to Ron Cudek; the best mental attitude to John Stasny.

In basketball Bob Varshal was voted most valu-

able with Holton Easter getting the best mental attitude award.

1952 awards for most valuable in baseball and track went to Bob Figler and John Stasny, respectively.

Ray Kovach was given the most valuable in wrestling. In cross country Bob Chovanec received the award as did Andy Gabor in tennis. Ron Cudek got the award for golf.

Backing GRC athletic teams to victory during the 1952-53 season were cheerleaders O. McMullen, M. Thomas, P. Vereb, J. Richlik.

Athletic director Antilla presenting Don Poppen with the 1952 All-Around C Club award.

Basketball

Knocking off Hammond High, winning the Holiday tournament and upsetting South Bend Riley (ranked 7th in the state at the time) were the high points of Clark's 52-53 basketball season. The Pioneers ended their season with a very respectable 14-8 mark.

By beating Hammond, 61-49, early in December, Clark ended a period of five years in which they hadn't been able to turn the trick against the perennially tough Wildcats.

Just before Christmas, the Pioneers traveled to Clinton, Iowa, to engage the state's number one team. The Shieldsmen put up a terrific battle before bowing, 69-66.

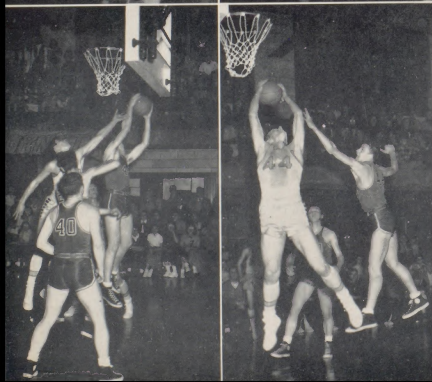

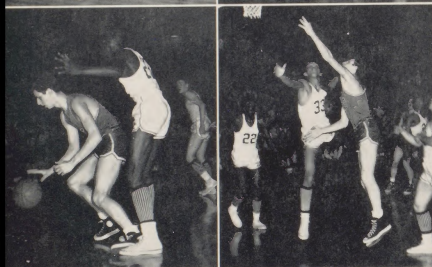

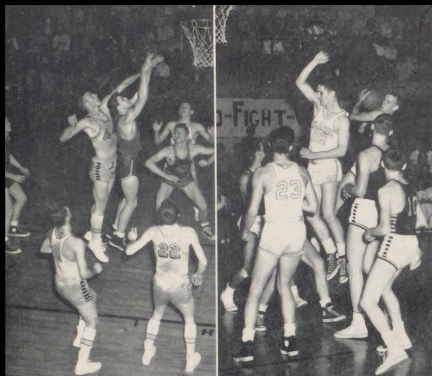

Then came the Holiday tourney and Clark swept honors in an impressive manner. They nipped Rennsselaer in an overtime thriller and then blasted Noll Central to cop the crown. Basil Kristoff, senior forward, set a new GRC scoring mark in the championship contest by sizzling the nets for 29 points.

Late in January, South Bend-Riley was rated as the seventh best team in the state of Indiana. Clark blasted them out of the "Big Ten", 55-52, and immediately were tabbed as contenders for Sectional honors.

Finally Sectional tourney time rolled around completely with pep rallies, banners and high feelings.

The Pioneers opened impressively enough, blasting cross town rival Whiting, 66-55. However, a keyed-up East Chicago-Roosevelt quintet put a sudden end to GRC championship hopes by edging the fighting Clarkites, 65-60, in a real scorcher.

Basil Kristoff set a host of GRC records during the year; total points, most points in one game, most free throws in one game (15) and a new free throw mark for one season.

 Row 2: G. Kauchak, R. Williams, G. Oaks, J. Bodefeld, W. Gradek, D. Ready, B. Leith, G. Petrin.

"B" Squad Surprises after Slow Start

Coach Hein's "B" squad Settlers started slowly, dropping six games in a row but rounded into shape and wound up their season with a 7-9 mark.

Greg Petrin copped scoring honors for the season.

The Settlers reached their peak against East Chicago Washington dumping the Senators, 35-30. This game seemed to light the fire under the "B" squad as they won five of their next eight after that.

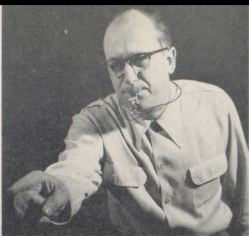

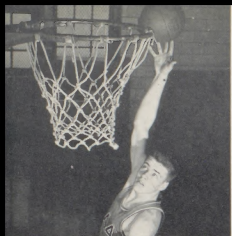

Freshmen Complete Winning Season

As has been the case so many times in the past, Mr. Emerson Aldrich led his freshmen cagers through another winning season. The young Clarkites wound up their regular season warfare with a 12-6 record.

Bill Schuhrke proved to be the big gun for the frosh all year, and he wound up with individual scoring honors.

Clark's '52 baseball team led the rest of the Western division a merry chase for about three weeks as they occupied the top spot in the standings. The Pioneers started slowly, breaking even in their first four games. Then the Blue-and-White really got rolling on a winning streak that took them to the top rung on the Conference ladder. It was during this period that ace hurler, Dick Demkovich, tossed a no-hit ball game against Horace Mann on the GRC diamond. Dick allowed only one ball to be hit to the outfield.

Clark reached the pinnacle of its success in the first Hammond High game as the Pioneers dealt Joe Baliga his only loss of the year. Centerfielder Tom Dulack broke the game open in the sixth inning with a bases-loaded homerun.

Tolleston dealt the Pioneers their death blow with a 12-1 verdict, which seemed to break the backs of the GRC line. It was downhill for Clark the rest of the way. Baliga was thwarted in a bid for a no-hit game against the Pioneers by MVP Bob Figler's homerun. It was Clark's only hit.

The Pioneers did, however, end the season on a sweet note, trouncing Gary Emerson, 11-5, and knocking the Norse out of a possible title tie with Hammond High.

Jennis Team Cops Runner-up Spot in Conference Standing

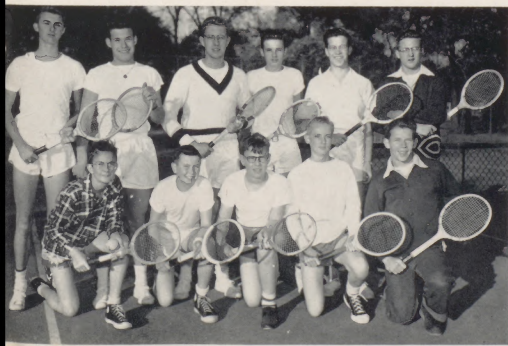

Under the able leadership of tennis coach, Mr. Gerald Royer, Clark's racketmen compiled a fine record of 6-2 in the Western division conference to conclude a very successful season.

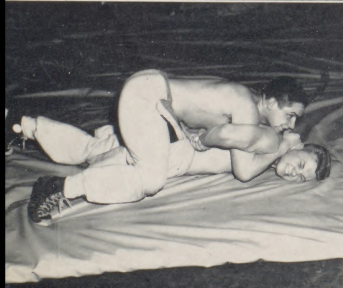

Although the Pioneers could never pull the trick on champion Hammond Tech, they possessed double victories over Hammond High, E. C. Washington and E. C. Roosevelt.

Track

Clark's '52 cindermen, due mainly to the loss of some nine letter winners, suffered a rather dismal season. For the first time in GRC's history, city rival Whiting beat the Clarkites.

The Pioneers could only mark up one dual meet over Roosevelt and place seventh in the Conference preliminaries on the credit side of the ledger. Basil Kristoff, however, set a new Sectional pole vault record, vaulting 11 feet, 8½ inches. He broke his old mark of 11 feet 7½ inches.

Clark's cross country team, coached by Mr. Ed Shields, celebrated one of the finest seasons in school history during the '52 season. The Harriers participated in five dual meets, winning four and tying one.

Competing in the 22-team Hobart invitational, Clark finished eleventh, while they wound up eighth in the 23-team sectionals. Clark also won the tri-city freshman-sophomore championship.

Wrestling

Sending four boys down to the state meet at Indianapolis topped off an otherwise "just average" season for the wrestling team. Ray Kovach, Tom Hobbs, Tom Gilman and Ron Jackson were the grapplers who carried GRC colors to the state capital.

Scoring 29 points, Clark finished fifth in the Sectional meet early in March and coach Frank Concialdi proclaimed that he was well satisfied with the team's steady improvement throughout the season.

GAC, the Girls Athletic Club, is the only organization at Clark that provides girls with the chance to participate in sports throughout the year. Meeting on the first and third activity periods, the club also sponsors after school sports. Among the most popular are the volleyball and basketball games which conclude in a closely-fought tourney.

Ping-pong, tennis at Forsythe Park, bowling at a near-by alley, swimming at the Community Center and baseball in the spring are offered in an attempt to give each girl a chance to take part in some sport.

An annual initiation banquet and dance are planned for social events each year. Miss Leota Kenzie, gym teacher, acts as sponsor of the GAC.

National Honor Society

Twenty-seven seniors and nine juniors rated "tops" by attaining membership in the National Honor Society. These and the nine who were elected last year were chosen on the basis of scholarship, leadership and character. New members were initiated at a special assembly in the spring before the student body.

The faculty-chosen group is sponsored by Miss Veva McAtee, director of guidance.

Student Panel

As a subsidiary organ of the Student Council, the Student Panel acts as an enforcement body to carry out the plans of the Council. The major activity of the Student Panel during the last year was to successfully aid in carrying out a clean-up campaign of lockers.

Basil Kristoff, the vice-president of the Student Council, acted as President of the Panel, and appointed the members (four seniors and two from every other class) in conjunction with Bud Sutherland, Student Council President, and Mr. Arnold Corder, advisor.

Student Council Bought Score Board

An efficient and active student governing body is an essential part of any school. Clark is especially fortunate in having such an organization in the Student Council, made up of two representatives from each homeroom.

Headed by President Bud Sutherland, Vice-President Basil Kristoff, Secretary Peggy Eberly and Treasurer Tom Czyz, who were elected by the student body in March of 1952, several activities were undertaken.

The major project undertaken by the Council was the sponsorship of a magazine drive, the proceeds of which were used to purchase an electric scoreboard for the football field. The athletic department was also aided by funds which went towards the purchase of new wrestling mats.

As a forum for discussion, the Student Council talked about conduct problems and safety hazards, and successfully conducted a drive to clean up lockers.

On Monday, March 23, for the first time at Clark, student identification cards were issued as a final major project.

Future Teachers of America

Acquainting young people with the inspiring story of our schools and the teaching profession is the main purpose of the Future Teachers of America.

Sponsored by Miss Veva McAtee, guidance counselor, this organization undertook such projects as helping with College Day plans, sponsoring an assembly and dance for the student body and attending the annual FTA Conference held at Gary Edison.

For the first time in FTA history a program of cadet teaching was put into effect. This program provided an opportunity for members to teach daily in the elementary school under the supervision of grade teachers.

Forum Club

"If the Republicans win, there will be another depression." "If the Democrats stay in, there'll be four more years of big talk and no action."

These were some of the arguments heard in an assembly held prior to the presidential election. This assembly was conducted by the Forum Club, under the sponsorship of Mr. Arthur Erickson.

The purpose of the Forum Club is to give students an opportunity to freely discuss their views of politics and current events. Membership is open to any junior or senior student.

Another assembly was presented during Brotherhood Week in which the members exchanged views on brotherhood.

Standing: B. True, C. Miller.
Sitting: M. Postraw, L. Kessler, D. Ducommun, D. Claggett, L. Gardner, C. Lieberum, L. La Pert.

Debate

"Resolved: That the North Atlantic Pact nations should form a federal union," was the debate topic for the 1952-53 season.

The debate team, under the guidance of their coach, Mr. Arthur Erickson, completed a successful year of speaking in the Metropolitan Debate Union and Calumet Forensic League.

A trip to Purdue University to attend the Annual Debate Conference, plus participation in state debate contests, highlighted the year's activities.

Speech

Clark's speech team has been successful in participating in the National Forensic League and local speech contests.

Extemporaneous, original oratory, drama, poetry and humor are five of the fields members of this group are interested in. Student congresses and state contests offer out-of-town trips and challenging experiences.

Latin Club

Vine, vidi, vici, (I came, I saw, I conquered) were the words of Julius Caesar. Latin students, in their attempts to "come, see and conquer" Latin, can learn a great deal about the customs and culture of the Romans in the first and second year Latin Clubs.

Typical Roman games and holidays, including a Saturnalia party, are parts of the programs planned for each meeting.

Spanish Club

Finding out more about our neighbors south of the border is the main purpose of the Spanish Club. Meetings are informal and held twice a month during the activity period. Dancing the Mexican Hat Dance is one of the activities that stole the interest of the members.

Miss Hazel Holland, sponsor of the club, entertained the students by relating many incidents of her trip to Mexico.

Red Cross Aided Vets' Hospital

Making nut cups, afghans, scrap books, stuffed toys and collecting magazines, books and cards for the Norman Beatty Memorial Hospital and the Carmelite Home are a few of the numerous projects undertaken by the Junior Red Cross.

"Thief of Bagdad," a movie, was presented for the student body in the fall. The admission donated by each student helped fill gift boxes and pledged them full membership.

With representatives on the Hammond Junior

Red Cross Council, Clark's chapter kept in touch with the activities and ideas of other area schools. In cooperation with these schools, members of Clark's group participated in a window display in downtown Hammond demonstrating Red Cross work, and in an area conference.

Together with Miss Ida Iverson, sponsor, and Robert Kania, president, Sophie Condo, vice-president, Joan Kress, treasurer, and Sandra Krill, secretary, another successful year was completed.

Standing: B. True, J. Stivers, S. Harbours, D. Hopperstad, P. Weldon, S. Fricke, R. Morris, Miss Lake, B. Slater, P. Fitzgerald.

Checking in and out books, taking attendance during study periods, straightening magazines and, in general, providing a neat, informative library are all services performed by members of the Library Club.

Under the direction of Miss Harriet Lake, librarian, students work during study periods, and before and after school, to aid in finding books and information needed by the faculty and students.

An annual Christmas party was the main social event of the year which was attended by members.

Growing Y-Teens

Because of the large membership in the Y-Teens in past years, it was decided to create two major divisions in the club.

The Freshman-Sophomore Club under the sponsorship of Miss Alice Bollin, Miss Harriet Lake, Miss Elizabeth Lyle and Miss Wanda Wilharm, chose Gwen Brouillette as their president assisted by Vice-President Cynthia Ruskin, Secretary Pat Yurkanin and Treasurer Cathryn Paskwicz.

Grace Kaminsky was elected president of the

Form Two Groups

Junior-Senior Club along with Gail Bornejko, vice-president, Carol Lieberum, secretary and Dona Clark, treasurer. This division under the direction of Miss Leah Booth, Miss Joan Coughlan and Miss Marie Nordvig appropriated funds to adopt a war orphan.

Other projects of service in which the two clubs pooled their efforts included the annual drive for chocolate bars to be sent to Europe and the annual Y-Teen dance. Christmas and Easter provided op-

portunities for helping others by giving gifts such as stuffed animals to needy people.

The year was climaxed by the annual Indiana Girls' Conference held in the spring. This year the Clark Y-Teens had the honor of being host.

In all of their projects and activities the Y-Teen girls found a warm feeling of assurance that their club, devoted to service, is a necessary part of GRC's society.

Hi-Y Dance Benefited

Displaying good Christian living, the Hi-Y, divided into the two major divisions of Junior Hi-Y and Senior Hi-Y, donated their services in various ways to the school and community.

Some of these services included holding a dance for world service, delivering milk for the lower grades and holding Easter observance services.

Special projects undertaken this year were the construction of the Hammond city-wide Hi-Y initiation and the first district spring Hi-Y, Tri Hi-Y Conference.

Powder Horn Staff Att

Early in August, Editor-in-Chief Arlene Bayus met with her Associate Editors Carol Bodefelf, in charge of photography, and Barbara True, in charge of literary content, and Art Editor Lois Gardner to make plans for the 1953 *Powder Horn*. They burned the midnight oil many nights deciding on the theme and planning new layouts for the pictures.

Under Larry Larson, business manager, the money received for advertising reached \$1600, a new all-time high for the annual. Another record was broken when subscriptions totaled 603 under the supervision of Ralph McCampbell, subscription manager.

Orchestra Gave Dance

The 24 members of the George Rogers Clark orchestra form a small but active group under the direction of Mr. Darwin Eret. Several band members also play in the group when special occasions demand.

Performing in the Winter Concert highlighted the year's activities. They also participated in the City Music Festival and solo contests, and journeyed to Manchester College to play with students from other states.

At Thanksgiving time the orchestra-sponsored dance, "The Pilgrim's Prance," was very successful and provided a small working fund for extra activities.

June and the end of school saw a picnic at the Dunes State Park for orchestra members as a fun-filled conclusion of the year.

Marching and Contests Proved Band's Versatility

Sweet music . . . Eleven band members banded together to play popular dance music. Calling themselves the Starlighters, they worked entirely on their own as far as adult help was concerned, and performed for several Clark dances.

Fancy formations executed with precision, drums beating and trumpets in a blazing fanfare — the band marches down the field during football season. But marching is only a small part of the band's work. Last year two concerts were given, as well as an exchange concert in South Bend.

Participating in the state and city solo and ensemble contests, individual players had the opportunity to use their talents, and under the supervision of the band director, Mr. Carlyle Snider, won more firsts than in any other preceding year.

Modern Dance

Presenting assemblies for various regional high schools, dancing for the section of the Indiana State Teachers' convention held at Clark on October 23 and participating in the Spring Concert, "Faraway Places," the Modern Dance group completed a very active year.

Under the able leadership of Miss Leota Kenzie, the members meet regularly in the gym for dancing techniques which account for the gracefulness they have acquired.

Opportunities to work in many different media are offered to members of the Art Club, under the sponsorship of the art teacher, Miss Norabel Morrison.

By designing and executing scenery for the dramatic and musical productions, the members of this club perform important services for the school.

Booster Club Gave Basketball Banquet

The Booster Club has completed its second season as one of the most active and largest groups in school.

Dances were sponsored after games during the football season and a rally, including a bonfire and

crowning of a football queen and court, highlighted the fall's activities.

A Booster Club banquet, held after the sectionals and honoring the basketball team, topped off the year's events.

Developing from the movie committee of the Hi-Y is the audiovisual department, better known to teachers and students as the Projection Club.

Sound and projection are the two divisions of this club. Sound was under the direction of Joe Lawson who took care of music for dances, recordings of classes and announcements on the public address system in the office and auditorium. The projection section was under the direction of Ronald Ciez who managed the showing of slides and films.

Stage Production

Because an increasing number of organizations use the stage facilities at one time or another, it is necessary to have a dependable and efficient group of students to operate them.

This year the Stage Production Staff, consisting of 64 members, was under the direction of Miss Oza Cunningham; student stage manager Don Broderick, and assistant stage manager Tom Fasiang.

Helping with stage setting and lighting for all major productions put on at GRC were the services performed by the boys of the Stage Crew while make-up, costumes and properties were the duties of the girls.

LOOK

AT CLARK'S FUN

... Exciting games, romantic dances,
concerts and plays — Yes, we at
Clark can look back on 1953 as a
happy, fun-filled year.

Look . . . It's

Summer ends and autumn begins as school opens. . . . And no matter how we groan, Clark students are usually happy to start school again. . . . Activities soon begin. . . . Football games are important, and the band has a break. . . . Dances are fun, and often informal in jeans and plaid shirts. . . . Even during the school day there are breaks. . . . For assemblies ranging from student talent shows to professional groups. . . . And the popcorn machine in the lunchroom is busy after school as students prepare to leave.

Fall

The Queen

The Booster Club scored another first when it sponsored a football rally prior to the big game of the season — the game between Clark and its arch-rival, Whiting. Festivities began at the Clark baseball field at 6:30 with the entry of the queen, Grace Kaminsky, and her court, Gerry Brenkus and Martha Cutka. These girls were chosen by the popular vote of the student body. After the coronation of the queen, each member of the team was introduced by Miss Dolores McCampbell, Booster Club sponsor. The giant bon-fire was then lit and the crowd, under the leadership of the cheerleaders, gave forth with school songs and yells.

Look . . .

Winter brings with it many of Clark's most looked-forward-to activities . . . like the Winter Concert. Presented by the vocal and orchestral departments under the direction of Miss Wilma Range and Mr. Darwin Eret, it depicted many winter scenes as well as a beautiful portrayal of the Christmas story.

It's Winter

The Senior Class added something new to their dance, "Frost Kist Nite," Saturday, December 13, 1952. Refreshing punch was served in the small gym with a background of soft, warm candle light. Meanwhile, in the big gym, smartly dressed couples danced to music provided by "The Serenaders," in a contrasting background of a frosty winter scene.

Homecoming Queen Crowned

Dancing against a background of a glittering winter scene to the strains of Hal Miller's orchestra, were 325 students and alumni who attended the second annual Homecoming Dance, December 26.

The main attraction of the evening was the coronation of Homecoming Queen, Senior Marge Bomba.

The Pioneers put another gift in the Christmas stockings of hundreds of GRC basketball fans, when they beat Bishop Noll to win the Hammond Holiday tournament.

Clark students stood and roared as the gun went off and the Civic Center organ broke into the Pioneer victory song. The final score for the Championship tilt stood at 52-47.

Basil Kristoff, captain, who set a new tourney and school record with his 29 points in the finale accepted the Championship trophy for the team. Then came the net cutting ceremonies, the first for Clark in a long, long time.

Look . . .

Spring . . . And warm weather brought out couples to enjoy the last days of school on the lawn . . .

A clean-up day parade saw Clark with an elaborate float — Snow-White, her attendants, and the Seven Dwarfs . . .

A carefully prepared fashion show under the direction of Miss Marie Nordvig, the sewing teacher, exhibited the achievements of the sewing classes before the entire student body.

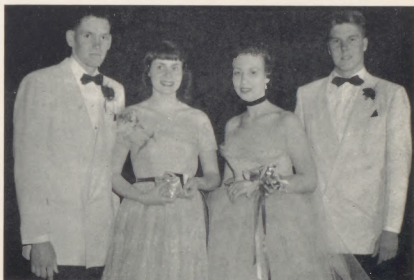

Junior Prom

The class of 1953 presented "Dancing in the Dark" on May 23, 1952, at Madura's Danceland. The 160 dancers whirled to the strains of the music provided by Johnny Kaye and his orchestra.

The colorful grand march was directed by Mr. Emerson Aldrich, athletic coach, and led by the Junior and Senior class officers and their dates.

After the prom, each couple went their own way, most of them journeying to Chicago to spend a few hours before ending a wonderful night.

Spring

... And School

Throughout the entire school year there were assemblies and programs featuring students. . . . Accordion players, dancers and pianists were all a part of Clark's talent show. . . . In the winter concert singing took on a frosty theme as the ensembles donned mittens and carried skates to emphasize winter fun. . . . Singing around the Christmas tree were the Harmonettes and Melotones as the Christmas spirit enveloped all. . . . These student performances were an integral part of school life at George Rogers Clark in 1952.

You're saying goodbye to your high school days—but you're saying hello to new, exciting days ahead. Congratulations and welcome to the future!

In this future, Inland Steel's opportunities are yours . . . opportunities open to high school grads.

If you have some mechanical training or aptitude, there are careers open in many fields: as machinists, welders, electricians, patternmakers, pipefitters, boilermakers. There are careers to follow in metallurgy and chemistry. And there are opportunities in the office and clerical fields. The job of production—making the steel needed to keep America strong—offers a challenge to alert, young men.

You can have a "get-ahead" future through Inland's training opportunities. You can get apprentice or on-the-job training to become more skilled in your trade. You also can get college training

and a college certificate through the Purdue-Inland Training Program, a program where Inland sponsors you through this course at Purdue Extension.

Inland has been in the busy Calumet Region for more than a half-century. We'll be here in the future, too, because we're a basic industry, making a product used by everyone, including the housewife opening a can of peas and the G.I. firing an artillery shell.

Inland Steel Company serves the nation—and it can serve you, too, in the exciting days ahead.

A WORD OF APPRECIATION

- We are deeply grateful to the Alumni of Hartnett College, whose splendid records in business have made possible our growth and success as business educators. The distinction our young men and young women have brought to us is greatly appreciated.
- We invite into membership with us other young men and young women who may wish to follow in the steps of those who have achieved success and happiness in preparing for their life's work in our school.

The Madura Danceland Story

Vol. 1

DANCETOWN, 1953

Price: One Smile

Do You Know . . .

That Madura Danceland was once located in the middle of a large amusement Park (Broadwalk) and was moved in one section from where Lever Bros is now?

* * *

Two horses pulled the huge Terpsichorean Palace in a moving feat that astounded the midwest.

* * *

So the next time when you are out tripping the light fantastic at Madura's you'll find this copy will make for excellent conversation with your partner, especially if she's the quiet type.

* * *

Also mention that the dance floor is the original one. Still the "masterpiece in maple wood" — no steps to climb, no posts, no springs — even though it's called "a perfect spring cushion floor". Actually, though, it is a "floating floor". One of the reasons it was so difficult to move i.e. being a separate wall from the ballroom itself.

* * *

Over 1,800,000 people have danced on the floor at Madura's.

Not only did such big name dance bands as Russ Morgan, Vaughn Monroe, Griff Williams, Ray Anthony, Jimmy Dorsey and Ralph Flanagan play at Madura's, but our own regular-night bands such as

"The Best Bands in the Land— Play at Madura's Danceland"

Mickey Prindl and Johnny Kay would really fool you if a curtain was drawn over the front of our stage. Close your eyes and give a listen. Prove it.

A Word About Dancing

Dancing is unquestionably the leading form of recreation practiced the world over. They do it down in the Fiji Islands, over in China, up in Alaska, in the heart of Africa, in Argentine and in Hammond, Ind. (Adv.) They start dancing as soon as they're able to stand on their pins and they don't quit as long as they're able to stand on 'em.

Of course, different people in different localities go about it a little differently, but it's dancing just the same and they all get a whale of a kick out of it whether it's the kazatka or the G.R.C. Polka. Some of it's pretty violent, some of it's sedate but all of it's a lot of fun. It certainly puts folks in a happy frame of mind — you seldom see anyone appear worried or hostile while they're tripping the light fantastic.

Like anything else — in order to get the most out of it you've got to be pretty good at it, and the only way you can become proficient at dancing is to enjoy it frequently.

* * *

RIPLING RHYTHM

"Did Lorraine enjoy her date with Frank last night?"

"She was never so humiliated in her life. When he started to eat his soup, five couples 'got up and began to dance.'"

* * *

IT'S A PROBLEM

Since the seats of the new cars
Get wider and wider,
What excuse can we give
To squeeze close beside her?
